

How to Reach Dibrugarh University :

Dibrugarh can be reached by Road, Rail & Air.

By Air :

The Mohanbari Airport is located at a distance of 23 kms. from the Dibrugarh University. Several Airlines Operate daily flights to and from Dibrugarh from all major cities of India.

By Road :

The Dibrugarh bus station is located at a distance of 5 kms from the Dibrugarh University.

By Rail :

The DBRT and DBRG Railway Station are located at a distance of 5 Kms and 10 Kms respectively from Dibrugarh University

Climate of Dibrugarh :

The climate of Dibrugarh is very pleasant during the month of March when the temperature varies within 20°C – 25°C. The participants are advised to bring necessary clothings suitable for the climate.

REGISTRATION FORM

(Format only)

National Seminar on Recent Trends in Theoretical and Applied Statistics –I
(RTTAS-I)
(11-12 March, 2016)

Name (Block Letters) : _____

Gender : Male / Female

Designation : _____

Institution/Organization : _____

Address for Communication : _____

Phone No : _____

E-Mail ID : _____

Present Paper : Yes / No

If yes, Title of the paper : _____

Signature of the Candidate

Please mail the completed form to :

Dr. Manash Pratim Barman

Organizing Secretary, RTTAS-I

Department of Statistics

Dibrugarh University, Dibrugarh-786004, Assam

Mob. : +91-9435391295, Email : rttasdib@gmail.com

National Seminar on **RECENT TRENDS IN THEORETICAL AND APPLIED STATISTICS - I (RTTAS - I)**

March 11-12, 2016

Sponsored by : University Grants Commission
(Under SAP DRS-II)
Govt. of India

Organised by :
DEPARTMENT OF STATISTICS
Dibrugarh University,
Dibrugarh-786 004, Assam (India)
www.dibru.ac.in

Scope & Objective :

The proposed national seminar aims to bring together the Statistician, Researchers involved in different branches of Statistics and allied disciplines on one platform to understand and develop theoretical as well as applied skills for statistical analysis, research and consulting. It is expected that the proposed seminar will open up new frontiers of collaborative research in the field of Statistics and its application in the allied disciplines.

Organizing Committee :

Patron in Chief :

Prof. A.K. Buragohain
Vice-Chancellor,
Dibrugarh University

Advisors :

Prof. Jagdish Prasad

Dept of Statistics
University of Rajasthan

Prof. K. K. Singh

Dept of Statistics
Banaras Hindu University

Prof. Dilip C. Nath

Department of Statistics
Gauhati University

Prof. J. P. Singh Joorel

Department of Statistics
Jammu University

Prof. P. K. Barua

Dean, Research & Development
Dibrugarh University

Prof. L. K. Nath

Dean, Science & Engineering
Dibrugarh University

Prof. M. N. Dutta

Registrar
Dibrugarh University

Prof. J. Hazarika

Coordinator, SAP DRS-II :

Department of Statistics,
Dibrugarh University

Organizing Chairman :

Prof. Sarat C. Kakaty
Department of Statistics,
Dibrugarh University

Organizing Convener :

Prof. Bipin Gogoi
Department of Statistics,
Dibrugarh University

Organizing Secretary :

Dr. Manash P. Barman
Department of Statistics,
Dibrugarh University.

Programme Committee :

Prof. S. Chakraborty
Coordinator

Members :

Ms. M. Neog

Dr. Partha J. Hazarika

Dr. Arnab N. Patowary

Dr. Subha Dutta Deka

Deptt. of Statistics
Dibrugarh University

Call For Papers :

Teachers / Researchers / Research Scholars / students desirous to make oral presentation are requested to send a copy of abstract (not exceeding 300 words) to Dr. Manash P. Barman, Organizing Secretary, by e-mail to the address : rttasib@gmail.com

Special Session for Students :

A special technical session for PG & UG students having Statistics or Mathematics as major subject in UG level will be held in this seminar. The first three best presenters of this session will be awarded with prize and certificate. The interested participants are requested to send a copy of the abstract of his/her paper by e-mail to the address : manash_stats@dibru.ac.in

Topics :

The topics of the seminar may be any one but not limited to the following :

- ◆Probability and Distribution Theory
- ◆Bio-statistics and Epidemiology
- ◆Demography and Population Sciences
- ◆Reliability and Survival Analysis
- ◆Econometrics and Time Series Analysis
- ◆Industrial and Official Statistics
- ◆Statistical Inference
- ◆Stochastic Process
- ◆Statistics in Finance and Accounting
- ◆Design and Sample Survey
- ◆Actuarial Statistics
- ◆Pharmaceutical Statistics
- ◆Application of Statistics in Social Science
- ◆Evolutionary Genomics
- ◆Mathematical Modeling
- ◆Operational Research

Important Dates :

Last date of submission of abstract : 15/02/2016
The full length paper must be submitted at the time of registration on 11/03/2016. Papers accepted for presentation would be intimated to the author(s) within a week of the submission of the abstract.

Department of Statistics,
Dibrugarh University

Dibrugarh University and the Department at a Glance :

Dibrugarh University is a premier institution of higher education and the second oldest University in Assam, which was established as a State Affiliating University in 1965. It is located on the southern bank of mighty river Brahmaputra in the north-eastern part of India. It offers UG, PG and Research Degrees in the field of Humanities, Social Sciences, Science and Technology, Commerce and Management through 175 affiliated colleges, 17 Departments, 21 Centre for Studies and one constituent Engineering Institute at present. The organizing Department, the Department of Statistics, established in the year 1967, is well known for its research and teaching in Distribution Theory, Econometrics, Reliability, Statistical Quality Control and Statistical Inference. Recently the department has given emphasis on research in medical and health Statistics. The department has received financial assistance under FIST programme for the period 2004-2009 and assistance under UGC innovative programme to run a Post Graduate Diploma in Statistical Techniques and Computation (PGDSTC) course for the period 2007-2012. The department is also being identified by the UGC under the Special Assistance Programme (SAP) from 2009. The department has its own research journal of international repute "Assam Statistical Review" since, 1987.
