Call for Papers

Demonetisation is the act of stripping a currency unit of its status as a legal tender and is necessary whenever there is a change of national currency. Demonetisation being the buzz word in the Indian economy has been used by the government as a measure to remove the functioning of parallel economy. To curb the flow of black money and fake currency in the economy, government took an initiative to remove the old Rs. 500 and Rs. 1000 notes and demonetised these currencies from the Indian market.

Thus, a National Seminar on “**Demonetisation and Indian Economy**” is being organised to understand the impact of demonetisation in the Indian Economy. It will also aid in giving a scope to the young scholars and researchers to participate and express their view points from different perspectives.

Objective of the Seminar:

The objective of this seminar is to bring academicians, researchers, managers, businessmen, government representatives, students and other stakeholders to a common platform to present, discuss and debate on the implementation of demonetisation.

Sub Themes

- Demonetisation and Finance.
- Demonetisation and Marketing
- Demonetisation and Human Resource Management.
- Demonetisation and Operation Management

Papers based on research, experience and conceptual ideas are invited from the academicians, professionals, businessmen, media persons, students and the researchers. Papers that can help in strategy formulation will be selected for presentation. All papers will be assessed by a panel of experts. Interested participants are requested to submit their full papers on or before 20th January, 2017. The paper should have an abstract of not more than 300 words and the full paper should not exceed 4000 words, including tables, charts and figures. Front page of the paper should contain the title of the paper, full name, affiliation (if any), mobile number and email address of the author(s). The papers must be sent via email to seminar@cmsdu.org. The selected papers will be published in the form of an edited volume by a reputed publisher.

Guidelines:

The participants are requested to ensure that their respective papers contain a clear idea about objectives, methodology, major results and implications. The paper should follow APA style of international referencing procedure. Papers will be selected on the basis of originality and relevance to the content.

- Research Papers can be co-authored by more than one person.
- Each co-author is required to do individual registration.
- At least one of the authors should be present for the presentation.
- No T.A. or D.A. will be provided to the participants.
- Manuscripts should be in Microsoft Word (.docx) format – (Font: Times New Roman, Font Size: 12, with 1.5 line spacing).
