

**OFFICE OF THE REGISTRAR:: DIBRUGARH UNIVERSITY:DIBRUGARH**

Ref. No: DU/DR-A/6-1/18/850

Date: 06.07.2018

**NOTIFICATION**

**Standardization of Marks for admissions into the Post Graduate Programmes for the Session 2018-2019**

This is to notify that as per the existing policy for admission into the various academic programmes of Dibrugarh University, 80% of the total seats in each subject of the MA/M.Sc./ M.Com Programmes shall be filled up by the eligible candidates graduated from the affiliated/ permitted/ autonomous colleges/ Institutes of Dibrugarh University for the session 2018-2019. The candidates for these seats shall be selected on **Merit Basis** of the qualifying examination concerned.

Further, in pursuance of the Notification vide Ref: DU/DCE (A)/ Standardization/2017/18 dated 24.07.2017 regarding Standardization of Marks for admission into Post Graduate programmes of Dibrugarh University, 2017-2018, following policy shall be followed for standardization of the marks secured by the Candidates of the affiliated colleges and autonomous college (North Lakhimpur College) of Dibrugarh University-

To standardize the marks secured by the Candidates, the Z-Scores for both the affiliated colleges and autonomous college (North Lakhimpur College) is computed as below:

$$Z=(X-\mu)/\sigma$$

where X is the secured score (percentage) by a particular applicant of a particular subject with mean percentage  $\mu$  and standard deviation  $\sigma$ . Since the Z- score for some applicants may come out as negative, so the merit list may be expressed in terms of a standard score.

**Standard Score=Mean (Standard Population) +s.d. (Standard Population) \*Z**

(Ref.: Statistics for Psychology and Education, Author: H. E. Garret, Publisher: Longmans, Green & Co.)

The Mean and Standard Deviation of the raw marks of the Candidates of the affiliated colleges and autonomous college (North Lakhimpur College) for the session 2018-2019 shall be notified after declaration of the Final Semester result.

However, taking into consideration the interest of the students of the North Lakhimpur College (Autonomous), the University has decided to create **one supernumerary seat** in each teaching programme, where the number of candidates selected for admission from the North Lakhimpur College (Autonomous) is less than two. This policy was also adopted in the academic session 2017-2018.

Issued with due approval.
