It is our great pleasure to inform you that the Department of Pharmaceutical Sciences Dibrugarh University is organizing the National Seminar entitled “**Emerging Global Trends in Pharmaceutical Nanotechnology**” during **November 23-24, 2018** at Dibrugarh University Dibrugarh 786004. The two days national level seminar is an attempt to explore the hidden facets of pharmaceutical nanotechnology, to acquaint the young researchers with the nanotechnology based new drug delivery systems. In this context, we would like to invite you to take active participation in the event.

ABOUT THE SEMINAR

The **PharmaNanotech-2018** is an arena for exchange of views/ ideas among professionals in the fields of Pharmaceutical Nanotechnology, Nano Medicine, Nano Biotechnology, Nano Drug Delivery Systems, Nanotechnology in Herbal Medicines and Cosmetics and many more. This conference will bring forward the on-going researches and advancements in Pharmaceutics-Nanotechnology and will act as a centre stage for forecasting its trends and developments, aims to update the world and will focus on the scope of Pharmaceutical nanotechnology applications. It is the need of hour to address certain core issues such as stability of Nano pharmaceuticals, industrial scale up and build upon industrial academic interface.

OBJECTIVES

- To bring together the national scientific experts to catalyse and advance scientific knowledge about Pharmaceutical Nanotechnology, Nano Medicine, Nano Biotechnology, Nano Drug Delivery Systems, Nanotechnology in Herbal Medicines and cosmetics

- To discuss and shaping with recent research findings related to Pharmaceutical Nanotechnology
- To promote and enhance scientific networking and collaboration among the peers
- To discuss emerging issues in Pharmaceutical Nanotechnology

MAJOR SCIENTIFIC THEMES, BUT NOT LIMITED TO

- Nanotechnology in Drug Delivery & Nano Medicines/ Pharmaceutics
- Biopharmaceutics & Pharmacokinetics
- Nano Biotechnology/ Bioinformatics
- Nano Herbal Formulations/ Pharmaconosy & Phytochemistry
- Anticancer Nano Technology/ Pharmacology & Toxicology
- Nanotechnology in Cosmetics
- Pharmaceutical & Medicinal Chemistry

REGISTRATION DETAILS

Early Bird Registration Fees (Deadline: November 15, 2018)

- Students: 600 INR
- Research Scholars (Ph. D./ Post Doc.): 800 INR
- Academia/ Faculty/ Scientists: 1000 INR
- Industry: 2000 INR
- Invited Speaker: 0.00

Late Registration Fees (After November 15, 2018)

- Students: 800 INR
- Research Scholars (Ph. D./ Post Doc.): 1000 INR
- Academia/ Faculty/ Scientists: 1500 INR
- Industry: 3000 INR
- Invited Speaker: 0.00

REGISTRATION & PAYMENT

CALL FOR ABSTRACT

FOR ORAL AND POSTER PRESENTATIONS

Kindly submit abstract at seminarpharmananotech2018@gmail.com along with registration payment details (NEFT receipt/ UTR No). The abstract should be structured into the

following sections: Title; Authors (List of authors with presenting author listed first, Institutional Affiliation, email, phone number of submitting author); Background; Objectives; Methods; Results & Discussions; Conclusions; and References.

The one page abstract should be typed in 12 point, Times New Roman, normal font, single space using A4 size paper. References should be cited in the text and listed at the end of the abstract as per guidelines for the journal 'Current Trends in Pharmaceutical Research' (<https://www.dibru.ac.in/ctpr>). The entire abstract including text, figures and references must be sent as a **MS-WORD DOC file**.

All the accepted abstracts will be published in **Current Trends in Pharmaceutical Research (CTPR), Volume 5, Issue 2, Year 2018 with ISSN: 2319-4820.**

The selected full text articles will be published in seminar proceeding e-book with ISBN. PharmaNanotech-2018 participants are requested to send the full paper to Convener at mkdps@dibru.ac.in

ACCOMMODATION

All participants have to make their own travel and accommodation arrangements.
