One Day workshop
on
''Information Literacy on Academic Integrity and Prevention of Plagiarism''
on
3rd January, 2020

Organised By:
Dibrugarh University Research Scholars' Association

In recent decades, the scientific community has become really concerned about the fast growth of plagiarism. Most academic researchers agree that plagiarism is a serious problem in the ethics of publication. Nowadays some media publish worrying news of plagiarism in scientific publications, including data manipulation by well-known scientists. The goal of this workshop is to review the scientific concepts related to plagiarism, its factors and roots, its prevalence in the world and methods of detecting it in order to improve the awareness of students/researchers of plagiarism.

Topics includes

- ❖ **Ethics in academic research**
- ❖ **URKUND Analysis**
- ❖ **Basic of plagiarism and how to avoid it**

Resource Person: Dr. Utpal Das, Deputy Librarian, & Chairperson, centre for Library and Information Science studies, Dibrugarh University

Venue: Indira Miri Conference Hall, Dibrugarh University.
