

How to Reach Dibrugarh University

Dibrugarh can be reached by Road, Rail and Air.

By Air

The Mohanbari Airport is located at a distance of 23 kms. from the Dibrugarh University. Several Airlines Operate daily flights to and from Dibrugarh from all major cities of India.

By Road

The Dibrugarh bus station is located at a distance of 5 kms from the Dibrugarh University.

By Rail

The DBRT and DBRG Railway Station are located at a distance of 5 Kms and 10 Kms respectively from Dibrugarh University

Climate of Dibrugarh

The climate of Dibrugarh is very pleasant during the month of March when the temperature varies within 24°C – 27°C. The participants are advised to bring necessary clothings suitable for the climate.

REGISTRATION FORM

(Format only)

National Seminar on Recent Trends in Theoretical and Applied Statistics –V
(RTTAS-V)
(20-21 March, 2020)

Name (Block Letters) : _____

Gender : Male / Female _____

Designation : _____

Institution/Organization : _____

Address for Communication : _____

Phone No : _____

E-Mail ID : _____

Presenting Paper : Yes / No _____

If yes, Title of the paper : _____

Type of presentation : Oral / Poster _____

Do you need accommodation : Yes / No _____

Signature of the Participant _____

Please mail the completed form to :
Dr. Manash P. Barman / Dr. K. Goswami
Organizing Secretary, RTTAS-V
Department of Statistics
Dibrugarh University, Dibrugarh-786004, Assam
Mob. : +91-94353 91295 / 87528 87426

National Seminar on RECENT TRENDS IN THEORETICAL AND APPLIED STATISTICS - V (RTTAS - V)

March 20 - 21, 2020

Sponsored by : University Grants Commission
(Under SAP DRS-II)
Govt. of India

Organised by :
DEPARTMENT OF STATISTICS
Dibrugarh University,
Dibrugarh-786 004, Assam (India)
www.dibru.ac.in

Scope and Objective

The proposed National Seminar aims to bring together the Statistician and Researchers involved in different branches of Statistics and allied disciplines on one platform to understand and develop theoretical as well as applied skills for statistical analysis, research and consulting. It is expected that the proposed seminar will open up new frontiers of collaborative research in the field of Statistics with multidisciplinary approach.

Organizing Committee

Patron in Chief

Prof. Ranjit Tamuli
Vice-Chancellor,
Dibrugarh University

Patron(s)

Prof. Dilip C. Nath
Vice-Chancellor,
Assam University, Silchar

Prof. Jagdish Prasad
Statistics and Business Analytics
Amity School of Applied Sciences

Prof. K. K. Singh
UGC Nominee, SAP-DRS-II
Dept of Statistics
Banaras Hindu University

Prof. J. P. Singh Joorel
Director, INFLIBNET
Gandhinagar, Gujarat

Advisors

Prof. D. Chetia
Dean, Research & Development
Dibrugarh University

Prof. B. R. Sharma
Dean, Science & Engineering
Dibrugarh University

Prof. K.K. Das
Department of Statistics
Gauhati University

Dr. H. C. Mahanta
Registrar
Dibrugarh University

Organizing Chairman

Prof. J. Hazarika
Coordinator, SAP DRS-II & HOD
Department of Statistics,
Dibrugarh University

Organizing Convener

Prof. Bipin Gogoi
Department of Statistics,
Dibrugarh University

Organizing Secretaries

Dr. Manash P. Barman
Dr. K. Goswami
Department of Statistics,
Dibrugarh University.

Members

Prof. S. C. Kakaty
Prof. S. Chakraborty
Ms. M. Neog
Dr. K. K. Mahanta
Dr. P. J. Hazarika
Dr. Dhruva Das
Mr. Aniket Biswas

Deptt. of Statistics
Dibrugarh University

Call For Papers

Teachers / Researchers / Research Scholars / students desirous to make oral / poster presentation are requested to send a copy of abstract (not exceeding 300 words) to Organizing Secretary, by e-mail to the address : rttasdib@gmail.com

Special Session for Students

A special technical session for PG & UG students having Statistics or Mathematics as major subject in the UG level will be held in this seminar. The first three best presenters of this session will be awarded with prizes and certificates. The interested participants are requested to send a copy of the abstract of his/her paper by e-mail to the address : manash_stats@dibru.ac.in

Topics

The topics of the seminar may be any one but not limited to the following

- ◆ Probability and Distribution Theory
- ◆ Bio-statistics and Epidemiology
- ◆ Demography and Population Sciences
- ◆ Reliability and Survival Analysis
- ◆ Econometrics and Time Series Analysis
- ◆ Industrial and Official Statistics
- ◆ Statistical Inference
- ◆ Stochastic Process
- ◆ Statistics in Finance and Accounting
- ◆ Design and Sample Survey
- ◆ Actuarial Statistics
- ◆ Pharmaceutical Statistics
- ◆ Application of Statistics in Social Science
- ◆ Evolutionary Genomics
- ◆ Mathematical Modeling
- ◆ Operational Research

Important Dates

Last date of submission of abstract : 05/03/2020
Papers accepted for oral presentation / Poster presentation would be intimated to the author(s) within a week of the submission of the abstract.

Registration Fee

Teachers/Scholars/Industrial Person, etc. : 1500/-
Scholars who don't have any Scholarship/Job : 1000/-
Accompanying person Rs. 1000 /-

However, due to limited rooms an advanced information latest by 5th March, 2019 is required to ensure the accommodation. For further details about the guest house please go through www.dibru.ac.in/amenities-infrastructure/vishranta-the-guest-house

Venue of the Seminar

(i) Inaugural Session

Indira Miri Conference Hall (Near the L.N.B. Library), Dibrugarh University

(ii) Panel Discussion & Technical Sessions

Department of Statistics,
Dibrugarh University

Dibrugarh University and the Department at a Glance

Dibrugarh University is a premier institution of higher education with 'A' Grade of the NAAC. The University is the second oldest University in Assam, which was established as a State Affiliating University in 1965. It is located on the southern bank of mighty river Brahmaputra in the north-eastern part of India. It offers UG, PG and Research Degrees in the field of Humanities, Social Sciences, Science and Technology, Commerce and Management through 175 affiliated colleges, 17 Departments, 21 Centre for Studies and one constituent Engineering Institute at present. The organizing Department, the Department of Statistics, established in the year 1967, is well known for its research and teaching in Distribution Theory, Econometrics, Reliability, Statistical Quality Control and Statistical Inference. Recently the department has given emphasis on research in medical and health Statistics. The department has received financial assistance under FIST programme for the period 2004-2009 and assistance under UGC innovative programme to run a Post Graduate Diploma in Statistical Techniques and Computation (PGDSTC) course for the period 2007-2012. The department was also recognised by the UGC under the Special Assistance Programme (SAP) from 2009. The department has its own research journal of international repute "Assam Statistical Review" since, 1987.
